The Executive Com. of the Urban League of Essex County met on the above date with Dr. Phillips in the chair and the following present, Mr. Bergen, Dr. McCarroll, Mrs. Malone, Dr. Parks Mr. Pettigrew, Mr. Ormond, Mr. Stern, Mr. Weiner, Mrs Jenifer.

Minutes of the last meeting read and accepted The Treasurer's report was not ready. A communication had been rec'd from the Welfare Federation in reply to a request for additional money. The amount of 415.00 has been promised whenever it is needed - to help cover the expected deficit. Mrs. Parsons has also promised a gift - 300.00

A communication had been sent to Commissioner Moran relative to appointing of a deputy Health officer - Dr. McCarroll being in our opinion the best prepared for this office. In return the Board had rec'd a letter of appreciation from Dr McCarroll for the letter sent to Mr. Moran.

Mr. Robinson explained the tax situation. The name of the League had been stricken from the list of delinquent tax payers - but the bill will have to be paid, but no extra fees.

The question arose as the giving up of routine placement. It was felt that the League does not wish to give up places where doors have been opened, even if we do wish to open new doors. The entire question will be referred to the Industrial Relations Com. which will survey what has been done by the local League & report in February.

A Questionnaire "The Nations Pulse in Race Relations" prepared the Nat'l Urban

League was called to the Board's attention. Copies will be sent to the members replies are requested by the middle of December.

There being no further business, the meeting was adjourned.
